

How to add your members' code to an event on the SCDI website

2. This box will appear. Enter your code.

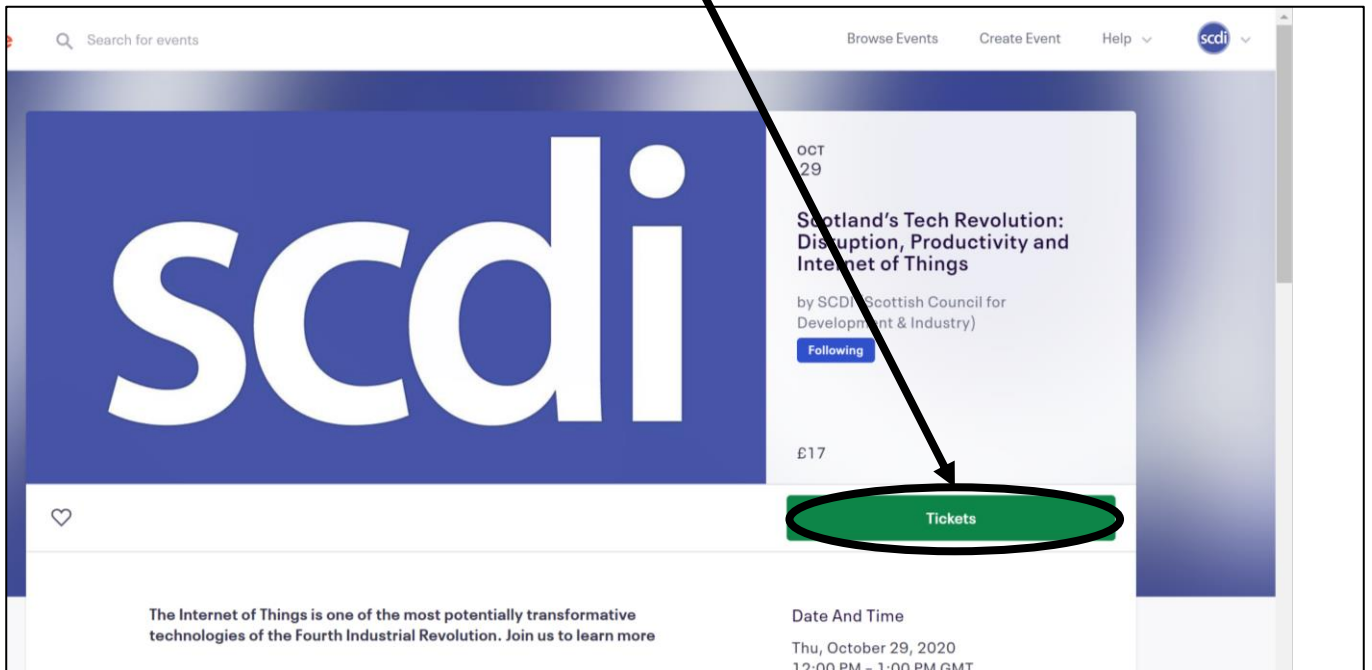

The screenshot shows a text input field with the placeholder text "Promo Code" and "Enter code". An "Apply" button is located to the right of the input field.

3. You will see that your code has been applied. Select 1 Member ticket, and make sure Non-Member ticket is set to '0'. You will see on the right that your total is £0. Click 'Checkout'.

How to add your members' code to an event on Eventbrite

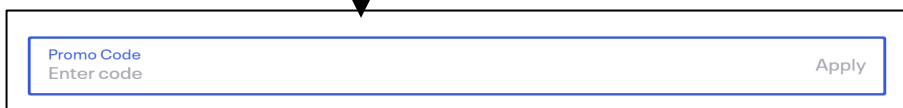

1. Click here
